

GIRO MEN'S GLOVE SIZING GUIDE

You can use the information in this guide to help determine your Giro glove size easily and accurately.

MEASURING YOUR HAND FOR THE BEST FIT

You can measure the length and diameter of your hand as illustrated below, and use the corresponding chart to determine your size. To measure:

- 1 - Wrap the tape measure around your hand at the widest part of the palm, and lightly close your hand before taking the measurement. This is your hand width measurement ("Length of Red" in chart below).
- 2 - Once you have that measurement recorded, simply use a tape measure to determine the length of your hand from the tip of your longest finger to the base of your palm at the wrist. This is your hand length measurement ("Length of Blue" in chart below).
- 3 - You can then compare the measurements of your hand with the data supplied in the size chart to determine the best fitting size for you.

QUICK REFERENCE GUIDE TO FIT

The Quick Reference Guide illustrated at right makes it easy to get a good approximation of your Giro Glove size if you're not able to measure your hand precisely. To use this guide, simply print this page according to the instructions and place your hand on the printed sheet to determine your size.

To Print this Guide at the correct size:

- 1 - Set printer page scaling to "NONE".
- 2 - In Adobe Reader or Acrobat, under the File menu, click "PRINT".
- 3 - In the Print Dialog box, under "PAGE HANDLING", select "NONE" from the Page Scaling menu.
- 4 - You can confirm that this Guide has printed at the correct size by placing an appropriate coin in the designated circle. The coin will fit perfectly in the circle, leaving the outline visible.

ALWAYS TRY IT ON

Since we offer a wide range of gloves in different styles and materials, we recommend that you try any glove before buying if possible, to ensure the best fit and comfort. If you have any questions regarding glove fit, you can contact our Customer Service team at tel. 1-877-358-2239 or see the FAQ section of our website www.giro.com/customer-service/cycling-glove-faqs/.
